OUR PROJECTS

Dear brothers and sisters!

There are so many people who would like to tell Pastor Sunday their testimony and thanks. We often hear testimonies such as:

"There are not enough words to the Pastor Sunday. He helped to restore my life."

"Pastor Sunday found me on the streets and pulled me out of the dirt. He helped me to become honest and worthy as well as happy."

"I was a drug addict and everybody rejected me. But Pastor Sunday found me and gave me love and faith! Now I help people who suffered like I did."

Sometimes we have no words to express our sincere appreciation and admiration to God for his sacrifice and dedication to our country, nation and personally to us. It is amazing how this man from Africa could dedicate his self to our country Ukraine and the wellbeing of all nations. However, Pastor Sunday's heart is also with his motherland, the place where he was born and raised and accepted Christ as his Savior in the small village of Idomila, Nigeria.

Now Pastor Sunday has established the International Charity Organization named after his grandmother Rachel. A great woman, who raised him and laid the foundation of his life.

Our first project is to build a new school in the village Idomila, and raise the level of education. Development starts with education and we have the timely opportunity to help Idomila's elementary school.

The Organization will also concentrate on areas such as the social and economic status of the village as well as taking care of orphans.

This outstanding man has done much for other countries and now the time has come to help poor, needy and hopeless people in Nigeria and return faith, love and hope to them.

Today we have the opportunity to participate in the development of the land that brought forth a great man, whose influence to better the society can not be over evaluated.

If you would like to contribute in this project, please fill in the questionnaire and confirm the sum you wish to donate.

MAY OUR DEEDS EXPRESS OUR THANKS!

Sincerely,

Rachel International Charity Organization
